CAREER OBJECTIVE

Can Help Company in any means they need.

WORK EXPERIENCE

Software Development • Internship

Apr 2025 - Oct 2025

Li2, Hyderabad

Served as Team Lead and Outreach Manager, overseeing team coordination and execution while actively managing customer and partner relationships. Acted as the primary point of contact for stakeholders, ensuring consistent communication, follow-ups, and alignment with project goals. This role strengthened my leadership, relationship management, and operational planning skills in a fast-paced professional environment.

ReactJS Development • Internship

Sep 2024 - Feb 2025

Hexart, Hyderabad

Associate Web Developer with hands-on experience working on 4+ production-level web applications. Contributed to frontend and backend development, debugging, and performance optimization, while identifying and fixing 50+ code defects to enhance application stability, scalability, and maintainability. Collaborated with cross-functional teams, supported client-facing initiatives, and coordinated college on-site seminars, gaining practical exposure to corporate workflows, stakeholder communication, and end-to-end project delivery.

Teaching Assistant • Internship

Jul 2024 - Sep 2024

NxtWave, Virtual

Actively assisted fellow learners by resolving technical doubts and clarifying core concepts, reinforcing my own understanding while developing communication, mentoring, and people-handling skills.

EDUCATION

B.Tech, Computer Science & Engineering

2022 - 2026

JB Institute Of Engineering And Technology

CGPA: 7.50/10

Senior Secondary (XII), TSBIE

2022

Science

Narayana College, NarayanGuda, Hyderabad
